About Parties

Parties at Central Gymnastics Academy are one hour of coach directed gymnastics time and game time and thirty minutes for cake and gifts.

All of our parties are PRIVATE parties that include the entire building for just you and your guests,

Our staff members will set up for your party, instruct the children, and clean up the party when it is over. All you provide are the paper products, kid friendly drinks, cake and your camera!

Party activities are based on the age of the birthday child. A typical party will begin with free play for 10 minutes while all the guests arrive. Guests should sign in on the sign in sheet at the front gate. Once all the guests arrive they will do 10 minutes of parachute games followed by 40 minutes of organized gymnastics instruction and play. Parents are encouraged to wait in the waiting area with the exception of the birthday child's parents. No food or drinks or hard sole shoes should enter the gym area. The last 30 minutes of your party is reserved for cake, food, and gifts.

You should arrive for your party no earlier than 15 minutes prior to your party time as our staff members set up the party area for you.
